

"Glory to God in the highest heaven, and on earth peace to those on whom his favor rests."

Luke 2:14 NLT

Best Christmas Ever is a series designed to help students recognize that the best things about Christmas aren't the things we typically tend to remember first during the season. They're the things God did for us thousands of years ago. Though encouraging students to embrace abstract concepts like the fact that God is with them and wants to know them may be difficult for some middle schoolers to grasp, it's important to help them recognize these key elements of what Christmas is all about. These are things they can celebrate and understand as they grow in maturity and relationship with God.
